

## **Financial Scholarships available for Quest Camp participants**

We are excited that once again limited financial scholarships are available for some Quest campers this year! These scholarships are a result of the generosity of Family Communications, Inc., and from donations made to Quest's GoFundMe Scholarship account which can be found here:

Scholarships will be awarded on a first-come-first-served basis and only to campers who meet the criteria described below. Please note that all scholarship awards are contingent on Quest receiving the anticipated funding for this endeavor.

### **First-Time Campers**

1. If your child is new to Quest, call Quest Director April Artz (412-877-7528) so that April, or other Quest staff, can speak to you regarding your child's strengths and needs. The focus of this call will be to determine if your child might be able to benefit from attending Quest camp.
2. If it seems that Quest camp will be a good fit for your child and vice versa, s/he can only be considered for a partial scholarship if both of the following are met:
  - a. The child's household income is \$80,000 or less (according to 2015's 1040 tax form), AND
  - b. The child is not eligible for Quest tuition payment by his/her school (ie ESY funding)
3. If #1 and #2 above have been satisfied, email a copy of your family's 2015 1040 tax form (first two pages only) to: [info@squirrelhillpsych.org](mailto:info@squirrelhillpsych.org). Please write "Quest Scholarship Request" on the email's subject line.
4. Your family will be contacted once scholarship decisions have been made.
5. Your child will need to meet with April Artz for a 1-hour screening/intake appointment before they can attend camp.

## **Returning Campers**

1. If your child has attended Quest in the past (either summer or after school programs), no further screening is needed.
2. Your child can only be considered for a partial scholarship if both of the following are met:
  - a. The child's household income is \$80,000 or less (according to 2015's 1040 tax form), AND
  - b. The child is not eligible for Quest tuition payment by his/her school (ie ESY funding)
3. If #1 and #2 above have been satisfied, email a copy of 2015's 1040 tax form (first two pages only) to: [info@squirrelhillpsych.org](mailto:info@squirrelhillpsych.org). Please write "Quest Scholarship Request" on the email's subject line.
