

Quest Therapeutic Summer Camp Registration for 2018 is Now Open!

Interested in sending your child to Quest but aren't sure how payment works? Here are the ways in which families can fund their child's experience.

1

Extended School Year (ESY)

Your child's school may be able to pay for their attendance. For your child to be eligible they need to have an IEP and their school needs to have indicated that they qualified for extended school year programming. ESY decisions are typically finalized in February, so check in with your school district soon!

2

Private Pay

Families provide out of pocket payment for camp. Early registration discounts of 10% off the cost of camp are available if you register before April 1st. In addition, discounts are available if you register your child for more than 3 consecutive weeks of camp.

If you have further questions regarding your child's eligibility for Quest or regarding payment options, reach out to Quest Director April Artz at aartz@squirrelhillpsych.org.
