

Exciting opportunity for counseling, social work, or other helping professionals!

Quest Therapeutic Summer Camp

If you enjoy helping children to increase their social skills, learn pro-social behaviors, decrease negative behaviors, and feel better about themselves in a fun team-oriented environment please read on!

We are looking for staff who are fun-loving, flexible, creative, energetic, and most importantly ENTHUSIASTIC and who love working directly with kids of all ages and abilities. If you would rather spend your summer swimming, playing, hiking, going on field trips, and having fun instead of sitting in an office this is the ideal opportunity for you.

Additionally, this position provides the opportunity to increase, or add to, your experience conducting group therapy with children in a real-life setting. Creativity is welcomed and encouraged related to contributing new curriculum ideas for our program.

Required Qualifications

- Have graduated from or currently enrolled in a social work, counseling, education, or other relevant program
- Previous work experience with school-aged children and/or camp experience is highly desirable
- Have up-to-date clearances for working with children in the state of Pennsylvania (Act 33/34 & FBI)
- Experience or knowledge of working with kids with diagnoses such as ADHD, Asperger's, Anxiety, etc. is also a plus
- Availability to work from Monday-Friday from 8:30 a.m.-4:00 p.m. starting 6/12/18 and ending 8/3/18

How to Apply

Please send a letter of interest and your resume to aartz@jfcspgh.org
